THE CHANGING ESTATE

Housing estates are changing places. What's going on in yours? Come and visit the changing estate of Temple Hill in Dartford, set in the Thames Gateway at the Dartford Crossing.

Our major employer has been turned to a pile of rubble

Our only pub has become a TESCO

Every Little helps

And they keep building new houses next to existing communities

In the midst of this
We keep on going!
So take a chance also to visit
the flagship Healthy Living
Centre, built by the church
and community of Temple
Hill, Dartford.

Come and share on Wednesday 13th October 10-3pm; for directions see www.stedmundsdartford.org.uk.
